PRODUCT LIST

SECURITY CONTRACTOR SERVICES, INC.

Large enough to Serve — Small enough to Care

SLATTED CHAIN LINK

extremely durable privacy fencing

We manufacture the best quality slatted fencing in the market today under the brands VIEWGUARD® and VIEWGUARDPLUS®

Our comprehensive manufacturing process makes ViewGuard ideal for Commercial, Industrial or Residential applications.

Each slat is woven vertically into the chain link fencing and secured with a stainless steel staple to ensure stability and strength.

VIEWGUARD®

semi-private colored slats

VIEWGUARDPLUS®

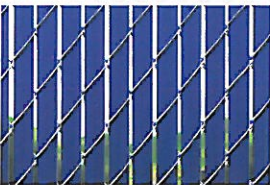

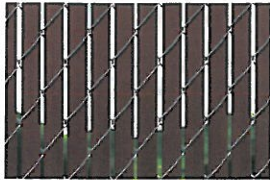

finned colored slats achieve greater privacy

Attractive & Cost Effective Alternative to Wood Slats
Custom Colored Slats Available

Chemical & Petroleum Product Resistant
Easy Maintenance

Galvanized — a minimum of 1.2 oz. of zinc per square foot offers superior protection against corrosion and rusting
